Dear Sir/Madam:

Re: donate your used COMPUTERS (Laptops, Desktops) Balls/BOOKS, etc; for the development in education and community development in JAMAICA. For SCHOOLS, CHURCHES and our young generation today

As has been one part of the restoration and rehabilitation process **C. SALMON & ASSOCIATES** seeks to find suitable companies, government own organizations, private sectors for donations, both here in Jamaica and around the world.

As we all face's the economic crisis throughout the global hemisphere around us; and the amount demands face's us each time with the little supplies.

C. SALMON & ASSOCIATES has been donating quantities of items in foods, books (including text books, literature, etc.) and other tangible items. This years (2010) throughout 2011, we focus on the objective of assisting schools, churches, etc. with donation of used computers (including Laptops, desktops, pocket pc, balls, etc.) therefore anything in computer/technology that can be used among our students and children to educates them will be appreciated.

It is therefore we raise high our banner throughout schools and other government or private sectors both here in Jamaica and around the world seeking your reliable assistant; to major our wishful assistant in education department or churches.

Let us raise your flag high here in JAMAICA, to our JAMAICAN students, children or peoples'.

Help us as we will distributor your worthy and trusted schools or business our website, so the world will see our contributors.

Kindly donate any of used or things you putting out your school,such as computers (laptops and desktop) to my company for us to make it available to the school require them or our help from time to time;

Make available anything else denotable to our company for our school students or children here in JAMAICA.

God bless you all as I await your honest respond. Feel free to contact us today for further details.

Yours respectfully,

C. SALMON & ASSOCIATES
